TERMS OF REFERENCE (TOR no. 2022/053)

Service provision for raising capacities of parents/caregivers about healthy lifestyles in the framework of the project “Shkollat për Shëndetin”

1. BACKGROUND AND RATIONALE

As of the 1st of March 2021, Save the Children have started the implementation of the main phase of the Swiss Agency for Development and Cooperation (SDC) Project: “*Shkollat për Shëndetin*”.

The aim of the Project is to promote healthy behavioural practices and healthy lifestyle habits in the Albanian population, with a particular focus on schoolchildren (aged 6-15 years) in order to control and prevent effectively the major risk factors for NCDs.

One of the activities of the project “*Shkollat për Shëndetin*” for this year concerns raising the capacities of parents/caregivers regarding healthy lifestyle habits and healthy behavioural practices.

The aim of this activity is to deliver healthy lifestyle messages in an attractive manner to parents/caregivers of children aged 6-16 years. It is expected that participation of parents/caregivers in these health promotion activities will improve naturally their healthy lifestyle habits and healthy behavioural practices (more specifically, healthy nutritional habits and promotion of physical activity for their children; sexual and reproductive health; COVID-19 prevention and good hygienic practices in general; mental health; waste management; and how to talk about health aspects with children according to their: age, gender, disability status and special needs).

2. AIM AND OBJECTIVES OF THE SERVICE

Aim:
