2.1.3 Eligibility of costs: costs that can be included

Only 'eligible costs' can be covered by a grant. The categories of costs that are eligible and non-eligible are indicated below. The budget presented is considered both a cost estimate and a ceiling for 'eligible costs'.

The reimbursement of eligible costs may be based on the agreed budget specified in units and unit costs.

Annex B, in the second column of worksheet no.2, "Justification of the estimated costs" per each of the corresponding budget item or heading the applicant must:

- describe the information and methods used to establish the amounts of unit costs, lump sums and/or flat-rates, to which costs they refer, etc.
- clearly explain the formulas for calculation of the final eligible amount¹

At contracting phase, SC decides whether to accept the proposed amounts or rates on the basis of the provisional budget submitted by the applicant, by analysing factual data of grants carried out by the applicant or of similar projects.

Recommendations to award a grant are always subject to the condition that the checks preceding the signing of the contract do not reveal problems requiring changes to the budget (such as arithmetical errors, inaccuracies, unrealistic costs and ineligible costs). The checks may give rise to requests for clarification and may lead SC to impose modifications or reductions to address such mistakes or inaccuracies. It is not possible to increase the grant or the percentage of SC funding as a result of these corrections.

It is therefore in the applicant's interest to provide a **realistic and cost-effective budget**.

Eligible direct costs:

The templates for reporting to be used will be those of SC. All these templates will be provided to the selected applicants as part of the Partnership Agreements.

The financial reports along with all the original financial supporting documents will be submitted to Save the Children every quarter. Once checked and verified by the finance team and, at the end each of the financial supporting document (invoice) stamped “Paid by SC”, the documents will be returned back to the partner. Exceptions, especially in the small-size and medium-size proposed actions, will be reflected in the signed agreements.

An example of the frequency of the instalments, especially the large size projects, is provided below:
