

Vacancy Announcement

Save the Children Albania country office has been working in Albania since 1999 developing a program focusing on improvement to children's education, protection of vulnerable children, and promoting children's rights; especially on discrimination, disabled children and children from ethnic minorities.

Save the Children is committed to supporting Albania's path towards European integration whilst ensuring the full realization of all children's rights. To achieve these tasks, Save the Children in Albania is working with non-governmental organizations and in close cooperation with governmental structures.

For more information on our current programs please see our website <http://albania.savethechildren.net/>

Save the Children has a country program strategy in Albania which covers the period of 2019-2021. Our work promotes the rights of children and adolescents to education, protection and survival to a life that protects them from all forms of exploitation and violence. Our approach empowers and supports children to meaningfully increase their participation in school and community life and influence decisions through child rights lenses.
